Re: James Knight v. National Debt Collectors, Inc.,
Docket No. 07CIV.5989 (AKH)

Dear Judge Hellerstein:

I am the President of the defendant National Debt Collectors, Inc. At present, the defendant is not represented by an attorney, although an attorney has been contacted for possible retention.

The plaintiff brought a motion for judgment on the pleadings and discovery requests that are pending. The defendant requests a further extension of time until mid December to complete responses to motion and discovery requests because we have had difficulty obtaining file from our previous attorney, Marina Blake, Esq., who has refused to return file. We are also arranging to get balance of retainer to her.

I attempted to contact the attorney for the plaintiff, Adam Fishbein, Esq., today, and left a message on his office telephone answering service pertaining to request of defendant for extension, and left return telephone number. Adam Fishbein, Esq. has not returned telephone call.

Thank you for your consideration and assistance in this matter.

Respectfully submitted,

ANTHONY M. WILGER
